

Part-Time Counseling Position Available

Christian counseling and pregnancy center seeking a counselor or social worker for their counseling, recovery, and healing program. This position reports to the Executive Director and is part-time (up to 15 hours a week). Evening availability is required.

Duties Include:

- Providing counseling, education, and supportive services for individuals, teens, families, and couples dealing with stressful life issues;
- This position also includes providing educational classes on such issues as parenting and relationships;
- Maintaining required paperwork that meets clinical standards;
- Participating in volunteer and staff trainings as needed;
- Speaking at women's groups and other community programs as needed;
- Participate in scheduled staff meetings & trainings;
- Representing the agency at various community networks and programs as needed.

Experience & Skills

- Warm, outgoing, and able to connect to people in crisis;
- Comfortable with all ages and genders;
- Dependable and organized with strong time management skills;
- Comfortable working as a team member with staff and volunteers on special projects;
- Comfortable applying Biblical principals working with families and individuals.
- Previous experience working with families, children, and teens in crisis a plus;

Education

- Master's degree in counseling or social work
- At minimum, an LPC or LSW licensure in the state of Ohio is required
